

# Retail / Wholesale / Distributor Questionnaire

Let's ensure we send you the best cooler for your application by completing and submitting the form.

Our shipping coolers are the best on the market and deliver unmatched value with:

- Proprietary sealing for optimal temperature control and durability.
- Advanced lid closures for airtight, secure, and reliable protection.
- Superior quality to prevent spoilage, delivering consistency in any conditions.
- Space-saving, cost-effective, and customizable designs for diverse industry needs.

## Contact Information:

Full name:	
Company:	
Job title/role:	
Email address:	
Phone number:	
Company address (for shipping purposes):	

## Business Details:

What type of perishables does your business retail/distribute/wholesale? (e.g., seafood, produce, pharmaceuticals, etc.)	
Do you currently offer shipping coolers for resale? If yes, what quality factors are important?	

## Estimated Volume:

How many coolers do you estimate your business orders monthly?	
--	--

## Shipping Applications:

If reselling, how do your clients use the coolers?	
Do you require coolers with specific temperature retention capabilities? If yes, please specify.	

## Challenges:

Are there any challenges with your current cooler solution you'd like to address? (e.g., durability, insulation, quality, cost)	
---	--

## Sample Cooler Test Intent:

How do you plan to test the sample cooler? (e.g., temperature retention, product fit, etc.)	
Would you be willing to share the test results with us?
